## Sponsorship Letter

Entering our 63<sup>rd</sup> season, the Malverne Little League has been a consistent and growing presence in the Village since 1952. Our goal each year is simple: to provide a safe, nurturing, and fun environment to teach baseball and softball, the value of teamwork, and the benefits and responsibilities associated with being part of a team. Last season, 400+ Malverne children were part of more 30 teams in 7 divisions. We expect a similar level of participation for 2014.

As we prepare for a new season, we are asking for your support as a sponsor of our program. Your sponsorship dollars stay in Malverne, and are used to help cover our annual operating costs and assist us in funding capital improvement projects. Over the years, League volunteers have constructed a concession stand with bathrooms at Whelan Field, replaced fences and dugout benches, built warning tracks, and installed security cameras and safety equipment. Our plans for 2014 include the final phase of construction of our new concession stand at Harris Field with attached bathrooms. Your support also allows us to keep registration costs as low as possible and provide financial assistance to those in need.

We offer a number of ways to support the Malverne Little League, and hope you will choose the option that best suits your situation.
